JIMMY (LOVES) KAGNEY!

I've been a regular *Club* reader for years, but when I spotted the gorgeous Kagney on the cover of your latest issue (38.08) I found myself hurrying home from the newsagent even quicker than normal! What an absolute babe! And just in case her sexy body wasn't enough (which, frankly, it was!) she had a pierced fanny, which is something I've always found especially exciting.

I used to go out with a girl who had a pierced clit, and she used to love me sucking on it before we screwed, although for the life of me I couldn't imagine how a girl would have the nerve to pierce such a sensitive organ! I see Kagney's gone for the rather more unusual pierced labia – I don't know whether it'd be quite the same, but if she wants any volunteers to give it a good tongue-lashing, do pass on my details to her!

Thanks for another great mag – and keep up the good work!

James, Bolton.

A CLASS APART

The school's parents' evenings were easier when they allowed two sessions for divorced parents, and although it was always a bit of a pain to get out of work early the sessions were quick and straight forward.

Also, as it was near the end of the school year, this was going to be the last time I got to see Miss Allan. She had been the sexiest of all the teachers I'd ever spoken to – her dual role as head of sports at the school keeping her nice and fit. She was also the friendliest.

As usual they were running late and I took the chance to read the work books etc. before I heard Miss Allan call, "Paul its your turn now." I always liked the way she remembered my name and I put the books down and went to go into the classroom.

As I walked in I stopped in my tracks. Miss Allan, who was usually in a tracksuit with her hair up, was standing in front of me in a shortish skirt showing of her very toned bare legs and a tight white top clinging to a lovely smallish pair of pert tits. She'd always looked good in her tracksuits, but today's outfit showed what a great body she had.

I snapped myself out of my shock and shook her outstretched hand and we sat at her desk. She sat on the side of the desk, I guess to be less formal, and I listened to her comments.

She was definitely very pretty, with pale looks, big brown eyes and long dark hair that tumbled down her shoulders, but as pretty as she was, it was hard to stop my eyes wandering to her legs or – worse – those amazingly cute tits.

"I noticed Miss Allen's nipples were very erect. I couldn't help myself staring at her tits."

As she talked she uncrossed and recrossed her legs, revealing smooth thighs and each time she did it the skirt seemed to ride higher, revealing more. My dick was stirring in my jeans as all sorts of thoughts rushed through my head, and I soon had an obvious bulge.

I also noticed that Miss Allen's nipples were very erect. I couldn't help myself as I stared at her tits. You could see her

UGANDAN AFFAIRS

I have been a big fan of *Club* for many years. I now live in Uganda, East Africa, and have discovered that *Club* seems to have expanded its business portfolio to include Uganda's best lager! I guess it may be because porn is illegal (yes, honestly) in Uganda, but the branding and font used is identical! I've enclosed a beautiful photo of me wearing my *Club* (lager) T-shirt and hat, drinking a *Club* beer and reading (your) *Club* magazine. Best wishes from Uganda!

Gareth, Uganda.

Thanks for that, Gareth – and hats off to the brewers for their taste in names and typefaces, but a big thumbs down to the Ugandan government for banning scruff! Honestly! – Ed.

lacy bra through the material and both nipples were pointing firmly at me. One more uncrossing of the legs, which showed even more thigh, gave me a full on boner and I struggled in my seat as my dick stiffened.

Unfortunately, the consultation was soon finished and Miss Allan was standing again, offering her hand. I shook it and her gaze followed my eyes; "Oh God, it's so embarrassing when that happens," she said, "though it doesn't usually happen during a parent consultation!"

I was conscious not to embarrass her and also mindful that I had a full on erection that was very much on display through my jeans. "Don't worry," I said, "that's never happened in a consultation either."

She looked down. "Wow, you do enjoy these chats, don't you?" she laughed.

It was going to be now or never. "Fancy a drink later?" I asked.

There was a silence that seemed to last for ages before she said, "Well, I have a teachers'

GOLD FINGERED!

Jessie's got what it takes to help a fella unwind after a hard day...

PHOTOS: ANDREW HAYEK

We're all for keeping fit here at *Club* – keeping fit girls about the place, that is! And they don't come much fitter than the gorgeous young Jessie, who's making her *Club* debut her and doing so in fine style! Isn't she a peach? It turns out she's quite into her keep fit, so what better place to shoot her than in the little gym we've got in the basement for the relief of executive stress!

"Wow!" said Jess when we showed her into the room, "I wish I had something like this where I work! Wouldn't it be great to be able to get away for a little session in your lunch break – or after work perhaps?"

Well as we stood there, watching in awe as she peeled off her clothes and started to flex that wonderful firm body of hers and finger her pussy, it was hard to disagree. Quite frankly, it wasn't hard to imagine just how fantastic a little session with her would be... ♣

DOWN THE WIRE

What's been keeping Club's network of global correspondents busy this month?

MID-LIFE CRISES TAKE MANY FORMS

Forty-something pervert Timothy Martin was wrangled onto his belly and handcuffed by cops in Seattle, Washington and charged with indecent exposure after police spotted him standing on the sidewalk naked from the waist down. Martin, they said, had a string attached to his penis and was "manipulating it with the string like a puppet."

PAPER TRAIL LEADS DIRECTLY TO CULPRIT

31 year old crook Donny Guy was tracked to his home and arrested in Hickory, North Carolina, recently. Charged with burglary of the Captain's Galley Seafood restaurant, he had become the prime suspect in the police investigation from the very start, not least because a) his actions were all caught on surveillance video and b) trails of paper from the two cash registers he stole led directly to the door of his home, only 50 yards along the street. Apparently Donny had failed to notice that the papers had snagged on something in the darkened restaurant and were unspooling behind him as he made his clumsy getaway.

EAST IS EAST AND WEST IS WEST

26-year-old Ms Nour Hadad confessed to police in Orland Park, Illinois, a short time ago that she'd beaten her two-year-old niece to death while baby-sitting and was charged with the horrific toddler-murder. When, however, as is standard police practice, the cops publicly released her booking photo, her husband, Alaeddin, immediately complained that the police department picture was an "insult" to Islam since in it she is not wearing her head scarf. A Muslim activist agreed, telling TV news reporters: "They should respect the modesty of the accused."

OUCH, YEAH BABY, DEEPER, OUCH, OUCH OUCH, MEDIC!

A 27-year-old female sex fiend in Lexington Park, Maryland, was recently choppered to Prince George's Hospital Center for life-saving surgery after suffering an accident in the course of a consensual sex romp. She and her partner had placed a rubber dildo over a saber saw blade to act as a souped-up vibro. Unsurprisingly, the blade slashed through the dildo and sliced her ladybits to ribbons.

meeting after I finish here... but I could meet you at 8 over the road if that suits?" She was nodding to the pub that was by the playing fields near the school gates.

"Great, see you there!" I said.

I got there about ten to, bought a pint and sat by the door so I could see her arrive. She was on time and I ordered her a vodka and coke. She was in the same outfit but now had a jacket on that matched the skirt. The chat flowed easily and she agreed to me buying her dinner. We moved to the restaurant part of the pub and I ordered a bottle of wine as we took up a discreet table where she sat next to me.

As we drank, waiting for the food, I made reference to the jacket. "Trying to hide those lovely nipples of yours, are you?"

She laughed and replied, "You're easily pleased – your eyes nearly popped out when you walked into the classroom."

I laughed and she went on; "I must admit, though they are small they are very sensitive, and watching the bulge in your jeans grow as I teased you with my leg crossing really did get me going."

I was a bit stunned, but just then the food arrived and we had one of those silences where you can't wait for the waiter to go. As he went she slipped off her jacket and those now fabulous nipples were already erect... but there was also something different.

"My fingers slipped down to her lips. I ran one finger down and she was already dripping wet."

"You seem to have lost your bra," I smiled.

"I've lost all my underwear," she replied.

Her legs had been touching mine under the table and I took my chance. I put my hand down onto her thigh. There was no resistance as I slowly moved up her leg. My hand went

NICE BIT OF BREAST

I've been a huge fan of the wonderful Natasha Nice since I first saw her in *Club* last year, so you can imagine how delighted I was to see her paired up with Andie for a blistering two girl set in the latest issue (38.08).

With the combination of a lovely innocent face and those fantastically suckable norks, Natasha's just about the perfect babe in my books, and seeing a girl as sexy as Andie actually sucking on those teats was a real treat. I'd give anything to have a go myself, although I'd be the first to admit I'm probably not quite as cute as Andie!

Anyway, I hope we get to see Natasha in your wonderful mag again before too long – you can rest assured it'll make this reader very happy indeed!

Cheers for now...

Brian, New Malden.

under her skirt – still no resistance as I felt the smoothness of those thighs that had teased me so sexily a couple of hours earlier.

She carried on eating as though nothing was happening. My hand was now inches from her pussy. I carried on.

"Oh yes, no panties!" I said and then, as my hand moved across, "no pubes either."

"Freshly waxed last night," she said. My fingers slipped down the smoothness to her lips. I ran one finger down and she was already dripping wet.

I had changed into a pair of smarter trousers, which, combined with a nice loose pair of boxers, left plenty of room for my cock to swell. I felt her hand sneak onto my lap and then she gripped it.

"It's doing it again," she said. Meanwhile my finger was starting to separate her lips when she said, "Patience, it'll be dark soon."

I removed my hand and we finished our dinners. I paid the bill and we then ordered two more drinks from the bar. I followed her outside to the large garden, watching her cute little bum sway as she walked. There were a few people sitting close to the pub but I followed her across the garden to the far end, which was not lit by the lights from the pub and any view from the pub was obscured by some large bushes.

She reached a picnic bench. "Will here do?" she asked.

I sat first, with my back to the table, before she walked to me and stood between my legs, her back to the pub. She was tiny, and even with me sitting down my face was at the level of her tits. She untucked her top and lifted it to expose one lovely small pert tit. I took it in my mouth, sucking

SPACE EXPLORATION

50 YEARS AGO – LUNA 2 HITS GREY-DIRT

1959: The Soviet Union's glorified tin-can satellite/exploration device Luna 2 becomes the first man-made object to crash into another heavenly body, when it ploughs into the Moon. The device joins a host of other prestigious "first man-made object to crash into" objects, including The Hindenburg (first to plummet into a field in New Jersey), the RMS Titanic (first to smash into an iceberg due to inattention), and Lawrence Of Arabia's motorbike (the first to up-end itself into Wareham High Street with a horrified masochist hanging onto the handlebars).

Luna 2, the second of the USSR's spacecraft launched in the general direction of the Moon, crashes into the lunar surface west of Mare Serenitatis. The device sported any number of twinkly coloured lights, protruding antennae and a Cherenkov detector. Though no Cherenkovs were detected before the collision. Because nobody, not even the Politburo, far less Kruschev himself, knew what the fuck a Cherenkov was. They only knew that it was a Russian concept and consequently it was their patriotic duty to try to detect any instances of it.

In 2006 the true historical significance of Luna 2 was recognised and the device was inducted into the Metal Things Crashing Into Stuff Hall Of Fame in Los Angeles, alongside James Dean's car and Buddy Holly's plane.

INTERNATIONAL POLITICAL MILESTONES

75 YEARS AGO – Afghans extend the world the hand of fiendship [sic]

1934: In a move that, in retrospect, can be clearly seen to have had absolutely no point to it whatsoever, Afghanistan takes the big plunge and joins the League of Nations.

This troublesome country, which has helped keep Ross Kemp on our screens for several years now, was founded in 1747 by someone with a twisted sense of humour, only gaining its freedom from its British "rulers"

following the third Anglo-Afghan War because frankly we really couldn't cope with worrying about the nutters any more.

Notwithstanding the fact that the country only defined itself by the name Afghanistan in the mid-18th century, the land it encompasses boasts an incredibly ancient history. Indeed, recent excavation of prehistoric sites suggests that human beings were living in Afghanistan some 50,000 years ago. Given that length of occupation, you'd think they'd have managed to turn it into somewhere half decent by now, wouldn't you?

HISTORY & COURT INTRIGUE

468 YEARS AGO – MARY STUART CROWNED AT STIRLING

1543: Amid much pomp and circumstance, at only nine months of age, Mary Stuart is crowned "Queen of Scots" in the central Scottish town of Stirling. This worked out really quite badly for her in later years.

Early on in life, Mary claimed the crowns of four nations – Scotland, France, England and Ireland. Her physical beauty and kind heart were acknowledged by all, yet she lacked the political skills to rule Scotland successfully.

Her second marriage was unpopular and ended in murder and scandal, and her third was even less popular, ending in forced abdication in favour of her infant son, wee Jimmy. Mary fled to England in 1568, hoping for the help of her cousin, Elizabeth I.

No chance. A protestant, Elizabeth feared Catholic plots on Mary's behalf. She didn't even meet her – just bunged her in a cell in Northamptonshire's Fotheringhay Castle for the next 19 years. Ultimately, Elizabeth got fed up reading whiney "Ocht Cousin Lizzie, whit way will ye no' let me oot o' this fuckin' prison, hen?" letters and ordered the now-44-year-old Scots monarch to be decapitated.

Many dramatic paintings were made of Mary's execution to please Good Queen Bess, with blood spurting from Mary's neck stump. Elizabeth commissioned lots of these, and woodcuts too, collecting and daily admiring them like treasured Polaroids.

It truly was a Golden Age. Yet, little did Bess dream that upon her own death Mary's son Jim would succeed her as James VI of Scotland and I of England.

WOULD YA LOOK AT CHEW!

One look at Alexis's juicy little snatch has got us feeling rather peckish...

PHOTOS: STEPHEN HICKS

Second girl of the mag, and a second *Club* debutante! We're good to you sometimes, aren't we? Still, new's one thing, and red hot's another, and we're not interested in one without the other. Alexis here is, as you can see for yourself, about as horny as a pair of mating rhinos. For starters, she's got the sort of face you'd expect to find on a movie star, and a beautiful pert set of boobs, but what's really got interest levels here sky high is that delectably chewy looking pussy! Here at *Club* we spend a good proportion of every day gazing at fannies, so you'd think by now we'd have got a bit jaded – but when something as succulent as Alexis's snatch comes along you really do have to pay it some proper attention.

Anyway, we'll shut up now, and let you give it some attention of your own... ♣

FILM STAR DATING ADVICE

by TOBIN BELL aka "JIGSAW" out of SAW

I want to play a game.

I want to play a game to ascertain how committed you are to locating and securing a hot new female sex partner.

No doubt you're wondering how you ever got to this particular page and wound up reading this alarming tripe.

Well, my bad. It's because I gave you special imaginary drugs and made you. No, don't try to move your head away from the magazine. I've been busy while you slept. There are two large shards of broken glass held in vices on either side of your neck. If you turn your face even so much as an inch, the broken glass will sever the carotid arteries. The blood loss will be spectacular and you will bleed out within 60 seconds.

Now I want you to read the rest of this tripe very carefully. If you miss a word you will be maimed. If you skim a phrase or any part of a sentence one of your remaining limbs will be amputated. (Oh, I'm sorry. Did I not mention that while you were drugged I sawed off both your legs at the hips? No, DON'T MOVE. Not unless you want to sever your carotids on the glass.) If you skip a paragraph, a trap door will open in the floor and your chair will drop into the funnel of an enormous underground meat-grinder. What I believe you British call "a mincer".

Very well. Now that I have your attention I will continue. The game is all about teaching you a lesson, and that lesson is how to get a girl. Just remember: if you don't take my advice, or both, you will die.

Read the following instructions carefully. Lower this magazine a little. That's right, I want you to look at the porn film playing on the computer in the corner. Lower the magazine slowly and watch the dirty DVD. But remember not to become sexually aroused by what you see… because, as you will notice if you glance down briefly, your cock is superglued inside the trigger guard of a gun – a gun which is strapped to your torso, the muzzle pointing at your chin. If your cock gets hard, the trigger will depress, the gun will fire, and… alas… alas, you will die.

Now, to business. If you survive and leave this magazine page alive, I want you to go out to the nearest nightclub and find the hottest bird there and chat her up.

Take her outside to your car or van and bring her back here. Then consult this page again. You will receive the following instructions from the remaining text: obey or you will die. Shackle her to the radiator in the bathroom with her knickers round her neck – and remember, you MUST do this in a caring and entirely consensual way.

Then nip behind this screen, put on the stupid fucking papier mache mask and tell her through the voice distortion microphone that you want to play a game. From there on in, just make something up. But be sure that you're both utterly terrified.

Good luck. I do hope you survive for long enough to get that far. One other thing. I forgot to mention the black widow spider. The spider is presently crawling over the stumps of your two severed legs and onto your lap. Can you feel its little feet pattering over your naked tackle? Steady now: one twitch of your cock and the gun blows your loaf off.

gently and licking her very stiff nipple as my hands worked up her legs under her skirt, caressing her very firm arse cheeks.

She pulled the top up fully, giving me access to both tits, which I sucked and nibbled on whilst feeling her bum. I leant back to give myself some room to push one hand up the inside of her thigh, and I was soon feeling a pair of very wet pussy lips. I looked up at her; her eyes were shut and she was gently caressing one of her tits.

I lifted the skirt to her waist so her bum was exposed, and dropped off the bench onto my knees. She was now the right height to taste, and my tongue slid along her slit and I savoured her juices. She was pushing her pussy against my mouth and I concentrated on licking her clit, which was already very hard. Both her hands were feeling her tits or puling my head into her.

"Oh fuck!" she said, "don't stop, it's so close!" and I felt her hand on my head as her legs started to tremble. When she came it was hard and violent, her whole body shaking, her hand gripping my hair as I licked through her orgasm till she couldn't take any more.

She pulled away, breathless. She looked amazing, her top was still up, exposing her cute tits, and her skirt was wrapped round her waist, showing me her gorgeous bare cunt. I sat back on the bench and she dropped to her knees and unzipped my trousers. My cock sprang at her. She licked the bell end before expertly taking my cock in her mouth.

She was very good, several times trying to deep throat (her gagging making it even more horny!) and she was slurping me whilst looking up with those lovely big eyes. After a while I had to ask, "Where do you want me to come?"

"In my cunt," she replied as she broke contact with my dick.

She stood up, knelt on the bench and leaned over, gripping the far side. It was dark now but I could still see her little bum in the air, exposing her wet open cunt ready for my very hard and swollen dick. I pushed in easily, her wetness taking me in whilst her cunt muscles

"I sat back on the bench and she dropped to her knees and unzipped my trousers. My cock sprang at her…"

locked on my cock. I fucked her hard, my balls slapping her lovely little bum. She squealed and screamed a few times, making me fuck her harder until I could hold off no longer and I pumped her full of my spunk.

As I pulled out, hot and breathless, she turned round and took my dick back in her mouth, sucking out any remaining spunk. She then kissed me and it struck me that that was the first time our lips had touched each other's!

We made ourselves presentable and we walked back towards the pub. As we got inside there were a group of teachers from the school drinking at the bar. She said she'd better join them, and though I was invited I declined. She walked outside with me and took my mobile number and we kissed again.

I walked home with a massive smile on my face, showered and put the TV on. Just then I got a text; "Walking home with your spunk running down my thighs. Nipples hard again!"

Needless to say, we saw each other a fair bit after that, and even now I'd have to say she was one of the horniest women I've even been out with.

HAVING A BALL!

These two don't need any inflatables to have some poolside fun!

PHOTOS: NICOLAS SAGE

If there's one thing we at *Club* like better than a gorgeous young babe fingering herself by a sun-kissed poolside, it's two gorgeous young babes fingering each other by one! Riley and Georgia here both score pretty near top marks on our patented babe-ometer, so getting them together like this for some seriously scintillating lesbo lappery was a real result – and not least for the girls themselves!

We like to pride ourselves on our discernment when it comes to watching girls getting it on, and the way these two were going for it during this shoot was eye-boggling! And when we'd shot our load (of film!) they just carried on, the dirty mares! ♣

This Month: STREAMING KIT

Wi-Fi? Why fucking not Fi, that's what we say! So bring your home to life with some of this stuff...

Ever since man first looked to the skies he's wanted to make it his bitch. First we learnt to fire arrows through it, then we learnt to fire people through it in metal tubes we call 'planes, and now, finally, our conquest is complete... with Wi-Fi.

Yes, thanks to the genius of wireless technology, we can now shoot our music, photos and video through the air, from device to device, in the same carefree way we might shoot our load over a pretty blonde.

But to take advantage of all that free air, you're going to need some top kit, which makes it all the more fortunate you chose this particular four-weekly periodical, doesn't it?

Pure Evoke Flow

Price: around £120

www.pure.com

Just like pretentious musicians, the Flow likes to claim it's 'all about the music'. But, in this sense, it means it don't do no video streaming. What it does do, however, is give you epic amounts of fresh, juicy DAB radio stations to listen to. Then, when you're bored of that, you can use its Wi-Fi capability to access literally thousands of online radio stations. Then, when you're bored of even that, you can wirelessly hook it up with your computer and use it to listen to all your stored digital tunes and playlists, regardless of where you are in your house (as long as that 'where' is within range of your wireless network, obviously).

Slick looking, great sounding, and portable – so great for those lazy, naked sunbathing days in the garden – prepare to have your musical world rocked...

Sony Giga Juke NAS-SC500PK

Price: TBA

www.sony.co.uk

There isn't much Sony don't know about the storage and distribution of digital music – they've had to learn it the hard way after backing the MiniDisk! Ah, ha, ha... ooh. Anyway, what we have here is a 160GB hard disk drive system onto which 1,300-hours worth of top tunes can be recorded and then blasted out anyway you like as though you owned your very own little jukebox. Hence the name, I guess.

But it doesn't stop at that. Coming wirelessly enabled, you can also broadcast your tunes all around your home to either individual speakers or client players, thereby turning your actual house into one colossal jukebox that you live in!

Supporting MP3, AAC, Linear PCM, WMA and ATRAC, you can transfer music from pretty much any source, be it your computer, CD, radio or even vinyl, and the database of 350,000 or so albums allows for automatic labelling, so you don't even have to worry about that, you lazy fuck!

Philips Streamium NP2900

Price: £249

www.philips.co.uk

Designed to free up your music library from the confines of your computer, whilst also dazzling your ears with the sweet strains of Internet radio, the NP2900 features a powerful digital signal processor, multiple speakers drivers and a powerful amplifier.

And for why? So that it can pump out all digital din in pure, enhanced-to-CD standard style and without you having to worry about sitting in the sweet spot.

Small and easy to operate via the remote and the alphanumerical search facility, the colour screen on the front displays all the track info you need to know, while you sit back and make sweet love to yourself or whoever else happens to be around.

XiVA musicm8

Price: £799

www.xiva.com/musicm8

Okay, it's considerably more expensive than the other stuff assembled here, but that's because, while them boys do audio alone, this digital monkey stores, manages and wirelessly distributes music, video and photos all around your little world. Stick CDs in the slot and the XiVA ('Zeeva') will rip 'em, tag 'em, and store 'em on its capacious 1TB (terabyte) hard drive. From there you can stream all those aforementioned tracks, movies and photos to, well, anything Wi-Fi enabled, be it a TV, Hi-Fi system, Xbox, Wii, Sonos, Squeezebox, Linn DS, PS3, digital photo frame, and even to iTunes.

Storing files in uncompressed WAV, FLAC and MP3 formats, the XiVA is compatible with both Mac and PC, and is inoffensive looking enough to keep on open view in your lounge for guests to admire and covet. ♣

We think you'll find Simi here's chest what you've been looking for!

PHOTOS: RB KANE

For a fresh-faced, hard-bodied young thing, Simi here's got a cracking set of charlies on her, don't you think? It's been far too long since we last featured her in *Club*, so when we heard she was back in town recently we couldn't resist the urge to book her in for another shoot, and as we stood there, feasting our hungry eyes on that wonderful rack of hers, we were certainly glad we did!

Still, we're enlightened enough to realise that women shouldn't be judged on the basis of their boobs – no, this is the 21st century and personality also plays an important part in a girl's appeal. And, luckily enough, Simi here is one of the nicest lasses we've ever met. She's really easy to talk to, always has a good laugh, and – here's the clincher – she's absolutely filthy! If you want proof, check her out on **Top Shelf TV** on August 16th and 24th. You're sure to enjoy her company as much as we did! ♣

DOUBLE YOUR MONEY

Aston Martin has unveiled a couple of beauties, which should help keep the UK motor industry on the map for some years to come...

If you believe the press, the UK motor industry is fucked. Nissan, Honda, Vauxhall, Toyota – all have manufacturing bases in the UK, and all have been forced to take measures to adjust to the slump in demand over the past 18 months. Even golden bollocks MINI hasn't been immune. Yet Britain's luxury and sports car producers aren't doing too badly, thanks very much.

Bentley, Rolls-Royce and Jaguar still seem able to find plenty of customers. And Aston Martin is launching new models right, left and centre. The £1million One-77 supercar and Rapide luxury saloon are further down the line, but new to its exclusive dealer network now are two V12-engined stunners.

First up is an uprated version of the firm's smallest model. The Vantage has been a huge success, blending V8 performance and Aston engineering excellence in a great-value £83,191 package. But now, a 12-cylinder motor has been squeezed into its compact frame.

The Vantage V12 *(main picture)* is similar in shape to the V8, although Aston insists every single body panel is new. The front splitter has a fresh design, and now pulls the nose down to the ground harder, while also gulping more cooling air into the radiator and braking systems. Bonnet louvers improve air flow over the body, too, and the side sills – borrowed from the N24 race car – channel air around the body rather than under it, to reduce tail lift. A new rear diffuser has the same effect, plus there's a revised bootlid spoiler.

The sum of all these changes is a more aggressive look, although the Vantage's gorgeous proportions haven't been upset in the process. Neither has its wonderful interior. There's a new cluster of instrument dials, plus swathes of carbon fibre to keep the weight down and make the most of the new engine's potential. Yet these touches take nothing away from the hand-crafted beauty that defined the V8 – its superb layout, impeccable finish and sense of occasion have all been successfully carried over.

So has the smaller Vantage's engineering prowess – although Aston has outdone itself by shoehorning a 6.0-litre V12 into this car. The powerplant delivers 510bhp and 570Nm of torque to the rear wheels, and gives 0-62mph in just over four seconds and a 190mph top speed. Yet whatever speed you're doing, the engine never feels especially strained. And every prod of the throttle is rewarded with a low, juicy rumble and an instant response.

More impressive is the fact that the Vantage's superb handling balance has been retained, even with the 100kg weight gain the V12 has brought. The car sits lower to the ground, and its suspension has been tuned to deliver a superb compromise between cornering agility and ride comfort. The Vantage V8 is great to drive; the V12 is in another league.

Grappling with the Vantage V12 for a share of the limelight is the gorgeous new DBS

Volante *(inset pictures)*. But it's much more than a soft-top version of James Bond's Aston. Until the One-77 arrives later this year, the £170,000 newcomer is the pinnacle of the range.

What you get for your money is a car that builds on the flagship DBS's wide range of talents. Above all, it looks gorgeous. With the hood in place, the beautiful proportions of the DBS coupe remain intact. Hit a button on the dash, and the top folds neatly out of the way, hiding under the tonneau cover, in 14 seconds. And the rear humps aren't only there for visual effect – if it all goes wrong and you flip the car, two rigid bars shoot up from beneath them to protect your noggin.

With the hood folded, you can share the elegant design and flawless finish of the 2+2 cabin with passers by. Only the finest grades of leather will do here, while an abundance of carbon fibre hints at the Volante's performance potential. Just how resistant the materials are to piss when the car is parked in the wrong part of town only time will tell.

Whichever setting you opt for, the Volante is incredibly agile and responsive

Still, Aston has transferred the driver appeal of the DBS coupe seamlessly into the soft-top package. Under the bonnet is the same V12 engine as in the new Vantage, but it feels like a different animal here. For starters, with the roof down you appreciate the fruity soundtrack even more. Plus, in the DBS special exhaust bypass valves turn down the noise at low speeds. Only when you cane it and push the revs beyond 4,000rpm do these open, releasing a loud bark and increasing the power output. Performance is still supreme, too – the Volante covers 0-62mph in 4.3 seconds and goes on to 191mph. That's exactly the same as the DBS coupe, which is a real achievement.

To compensate for the loss of the metal roof, Aston has reinforced the subframe and body panels. The 1,895kg Volante is 115kg heavier than the coupe, and bosses claim it offers 75% of its sibling's stiffness. That's certainly evident on the road, where there's none of the vibration noticeable on some roadsters. The body remains reassuringly controlled, while the steering offers immense precision and feel. Adaptive dampers also give drivers a choice of modes for the suspension, although whichever setting you opt for, the Volante is incredibly agile and responsive.

Two Astons, 24 cylinders, more than 1,000bhp and a total price tag of £300,000-plus... all this hardly suggests the British brand is in trouble. It could even be set to line up on the Formula One grid in 2010. So whatever else is going on in the British motor industry, the black clouds of recession aren't gathering anywhere near Newport Pagnell just yet, whatever the newspapers might say. ♣

IT'S A BASQUE UPRISING!

Mind you, it isn't just Nikki's choice of lingerie that's giving us stirrings in the trouser department...

NIKKI

PHOTOS: RUDEBOY

When you're planning a trip to an exotic location to shoot a few girlsets and discussions turn to which girls to take along, it never takes long before the name of Nikki Blonde gets a mention. Of course the primary reason for this is that it's always nice to get her in the mag, but then there are so many other reasons why having Nikki along helps to improve to the whole experience…

And before you start to wonder – it's nothing practical. She can't cook for toffee, doesn't like washing up and can't drive. If making the whole trip easy were the main idea, she'd be a non-starter every time. No, let's face it, this girl wasn't built for practicalities like that – she was built for having fun, and that's why everyone likes spending time with Nikki B! She is, in a nutshell, just about the horniest, most sex-crazed model it's ever been our pleasure to work with – she certainly knows how to keep the other girls on the trip happy, not to mention anyone else who might be lucky enough to come along. Hmm, now where did I put my passport…? ♣

NO TAR!

This couple had been dating for about six months, but the guy had been afraid to make any sexual advances because of his tiny organ. Finally one night, he gets up his courage, and takes her to a secluded spot in his car. While they are kissing, he opens his flies and guides her hand onto his penis.

"No thanks," the girl says. "You know I don't smoke."

Andy, Glasgow.

SLICE OF THE ACTION

Q. What do a gynaecologist and a pizza delivery boy have in common?

A. They can both smell it, but can't eat it.

Mr T, Sussex.

THE GREATEST G-APE

A guy walks into a bar with his pet monkey. He orders a drink and while he's drinking, the monkey starts jumping all over the place. The monkey grabs some olives off the bar and eats them, then grabs some sliced limes and eats them, then jumps up on the pool table, grabs the cue ball, sticks it in his mouth and swallows it whole.

The bartender screams at the guy, "Did you see what your monkey just did?"

The guy says, "No, what?"

"He just ate the cue ball off my pool table – whole!" says the bartender.

"Yeah, that doesn't surprise me," replies the patron. "He eats everything in sight. I'll pay for the cue ball."

He finishes his drink, pays his bill, and leaves.

Two weeks later he's in the bar again, and he has his monkey with him. He orders a drink and the monkey starts running around the bar again.

While the man is drinking, the monkey finds a cherry on the bar. He grabs it, sticks it up his arse, pulls it out, and eats it.

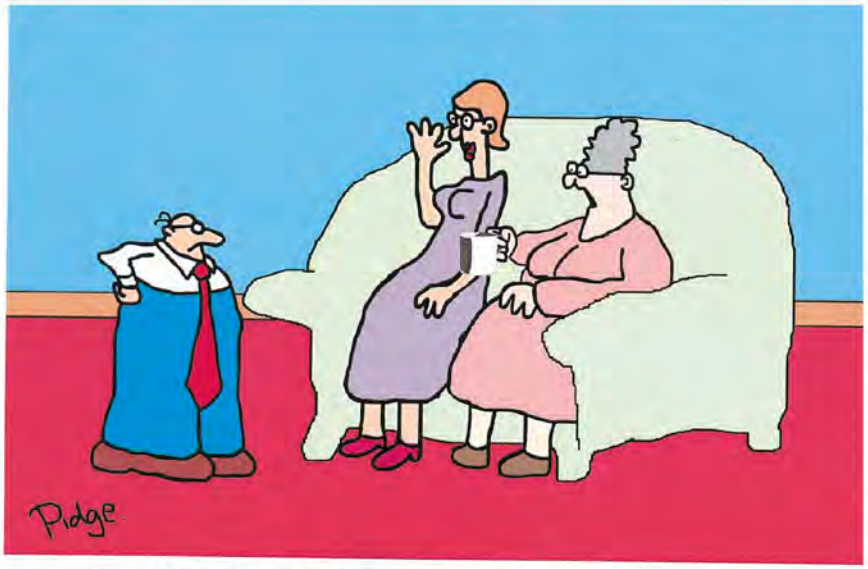
The bartender is disgusted. "Did you see what your monkey did?"

"What?" asks the patron.

"He stuck a cherry up his arse, then pulled it out and ate it!" says the barkeeper.

"Yeah, that doesn't surprise me," replies the patron. "He still eats everything in sight, but ever since that cue ball he measures everything first!"

Ashley, Tonbridge.



"Don't be alarmed Muriel, it's just his back gone again."

ASKING FOR IT!

A man came home from work, sat down in his favourite chair, turned on the TV, and said to his wife, "Quick! Bring me a beer before it starts!"

She looked a bit puzzled, but brought him a beer. When he finished it, he said, "Quick! Bring me another! It's gonna start!"

This time she looked a little angry, but brought him a beer.

When it was gone, he said, "Quick, another beer! It's gonna start any second!"

"That's it!" She blows her top. "You bastard! You waltz in here, flop your fat arse down, don't even say hello to me and then expect me to run around like your slave! Don't you realize that I cook and clean and wash and iron all day long?"

The husband sighed. "Oh shit. It's started."

Jamie, Hull.

TRUNK CALL

A dog is truly a man's best friend. If you don't believe it, just try this experiment. Lock your dog and your wife in the boot of the car for an hour. When you open the boot, which one is really happy to see you?

Ryan, Gloucester. ♣

AISLE BE DAMNED!

Three couples, an elderly couple, a middle aged couple and a young newlywed couple want to join a church.

The vicar says, "We have special requirements for new members. You must abstain from having sex for two weeks."

The couples agree and come back at the end of two weeks. The vicar goes to the elderly couple and asks, "Were you able to abstain from sex for the two weeks?"

The old man replies, "No problem at all, Vicar!"

"Congratulations! Welcome to the church!" beams the vicar. Then he goes to the middle aged couple and asks, "Well, were you able to abstain from sex for the two weeks?"

The man replies, "The first week wasn't too bad. The second week I had to sleep on the couch for a couple of nights but we made it!"

"Congratulations! Welcome to the church," smiles the vicar. He then goes to the newlywed couple and asks, "And were you able to abstain for two weeks?"

"Well vicar, I'm afraid to say we weren't able to do it," the young man replies.

"What happened?" inquires the vicar, earnestly.

Shamefacedly, the man explains; "My wife was reaching for a can of soup on the top shelf and dropped it. When she bent over to pick it up, I was overcome with lust and took advantage of her right there and then."

"You understand of course, this means you will not be welcome in our church," states the vicar.

"Fair enough," says the young man, "We're not welcome at Tesco any more either."

Colin, Mansfield.

HOPE AND GLORY!

Cindy Hope might have an implausible name, but she's got a great bod!

CINDY

PHOTOS: VLT

It's something we've thought about a lot over the years, but we still haven't quite worked it out yet; is there a formula for sexiness? Mathematicians would no doubt insist there is, but we're not so sure, because whenever we flick through an issue of *Club* there are all sorts of girls on show, and yet we're pretty sure that most guys in their right mind would dearly love to root any of them! In the end we thought we'd ask Cindy here what she thought made her so sexy…

"Oh, I don't know!" she giggled, her sparkling eyes flashing and her deliciously chewable little tits quivering as she spoke. "Am I sexy?"

Now we're all for a girl not being too big-headed, but when a girl who looks like Cindy here is splayed out in front of you, fingering her pussy and looking at you with the most 'come hither' expression you've ever seen, and asks if she's sexy, then somebody's got to have a word! Mind you, once she clocked the bulges in everyone's trousers she must have got the idea! ♣

WHAT'S SHE LIKE? Experimental!

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
Well actually, it's because a friend of mine was in *Club* a year or two back *(Sasha – 36.13 – Ed.)* and she enjoyed it so much she's been modelling a fair bit since! Well, she kept telling me about it, and I thought 'Why not?!'

WHY NOT INDEED? AND DO YOU THINK YOU'D LIKE TO DO SOME MORE AFTER THIS SHOOT?
Sure, if anyone wants to photograph me and pay for the pleasure, I'd be delighted. It's my body, after all, and I can do what I like with it! I've done far ruder things than this shoot for you guys, after all!

OH REALLY? WHAT SORT OF THINGS?
Ha-ha! Well, probably the rudest thing was when I had a threesome with my boyfriend at the time and his best mate! I'd always fancied the mate anyway, so I knew he'd be up for it, and my then boyfriend was a right dirty bastard too, so it didn't take much arranging! Having one stiff prick to play with is lovely, but girls, I can tell you having two at your disposal is fantastic!

AND ANY MESSAGE FOR CLUB READERS?

ALBUM REVIEWS

ARCTIC MONKEYS
Humbug (Domino)
More tales about being a northern lad – which basically involves the 3 Fs – fingering girls, fish'n'chips, and football. With production from Queens of the Stone Age's Josh Homme, anyone who enjoys having their dick sucked to a bangin' tune is gonna love this.

SIMIAN MOBILE DISCO
Temporary Pleasure (Wichita)
Music designed primarily for getting wasted on the dance floor whilst attempting to impress young ladies and wearing cool trainers. Go and find 'Disco Dave,' give him a tenner, and enjoy this bag of electro filth.

JAY REATARD
Watch Me Fall (Matador)
Not very PC, but this guy is the future. Addictive as crack Ramones like punk songs that will have female rockers foaming at the gash for months to come. Turn the volume up loud and pull her knickers down.

WILD BEASTS
Two Dancers (Domino)
Unlikely to appear on the Radio 1 A-list but one of 2009's most alluring albums none the less – Two Dancers evokes memories of Dog Man Star-era Suede, but with probably fewer Class As. This is for the sort of girl that doesn't take it up the arse, but in the right hands, can be a lot of fun.

VARIOUS ARTISTS
Sisters (Sister Phunk)
Forget Now 2009, this is the compilation for the Klaxons generation – 18 tracks of hedonistic electro pop guaranteed to make female pill heads drip. The highlight? Passion Pit's I've Got Your Number – perfect if you've just pulled at 7am in Ibiza.

Club chats to Los Campesinos! vocalist and all round legend, Gareth Campesino!

I believe you've just been to South America?
Yeah, we went to Colombia, Argentina, and Venezuela – it was insane. Having a Spanish name has certainly introduced us to people that might never have known about us. We played to 1,000 people in Bogota and 4,000 people in Caracas. After the Buenos Aires show, we took a group of about 30 people from the gig on a massive pub crawl; they were the loveliest people.

Did you shag any of them?
Not in Colombia, but in Argentina I met a couple of young ladies. It was quite an experience. It's almost intimidating to the fact that, well everybody wants a hug, everybody wants a kiss, and then its like, "Is this a come on? What the fuck is going on?"

So you had a threesome!
No, it wasn't simultaneous; just one after the other. Neither of them were Argentinean – one was an English bird and the other was Venezuelan. Although the shows were good, there were other reasons why South America will forever be up there.

Beautiful. What other jobs have you done in the past?
I worked on the bins for a while doing the recycling. I do a bit of gardening, primarily at the local cemetery, trimming the bushes.

Have you ever trimmed any bushes with girls in the...
As soon as I said that, I knew that was gold for you!

Classic. Back to the bins, did you bang any girls on the job?
No. Sometimes a middle-aged woman would answer the door in her dressing gown and it's not as tightly pulled as it should be. Well, erm, I think this interview is going to make me approach things in a new light and I'll be seeing opportunities that I've never recognised before!

What's the weirdest stuff you saw in the recycling bins?
Well I once found a dead badger in the recycle bin – a proper dead badger!

Did you ever find any copies of Club International in there?
No, because that's not the sort of thing you want to throw away. That's what you want to keep for the archive!

True. Do you like fat birds?
It has to be manageable, but I won't let it put me off.

Manageable, that's a good word. Tell us a story that involves fingering girls.
I've got this mate who DJs and his missus told me that one night he came back from a gig and he was really wasted. He's in bed with her, and he's fingering her, and he puts one hand to his left ear and starts rubbing her with the right, and starts calling himself "DJ CLITTLES!" He's there, pretending he's mixing on her pussy! He's out of it, and she's like, "What the fuck!?"

Nice one Gareth. Keep on shaggin' those Latinas.

Los Campesinos! will be touring throughout September/October and have a new single out this month on Wichita.

Love!

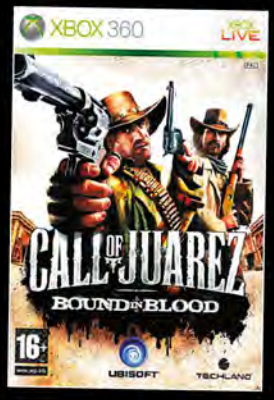
ON THE GAME

CALL OF JUAREZ: BOUND IN BLOOD

(Ubisoft) *PS3, Xbox 360, PC*

★★★★



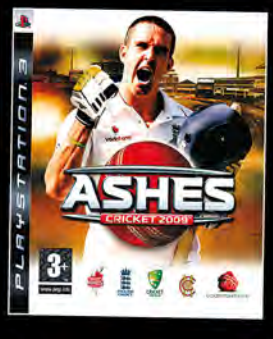
The original *Call of Juarez* pressed a lot of the right buttons with its first person shooter recreation of the Wild West, so this sequel (which is actually a prequel) has a fair bit to live up to. Just like the original you get the choice of two characters, brothers Ray and Thomas, whose differing temperaments and fighting styles will effect the way the gameplay pans out. With its blend of spaghetti styling and old school cowboys there's plenty of scope for blasting away, and the visuals are great. With all sorts of Civil War-related complications thrown in, you'll need your wits and firearms about you as you head off to Mexico to track down that Aztec gold.

ASHES CRICKET 2009

(Codemasters) *Xbox 360, PS3, Wii, PC*

★★★★

That's right, another Ashes series is upon us, which as well as almost certain humiliation for whichever hapless 11 the English selectors put out also heralds the release of an updated game, so that those of us who like to see England win once in a while can knobble the Aussies! Then again, *Ashes Cricket 2009* offers a lot more than a straight Ashes contest – there are one day international and Twenty20 options, featuring the world's major teams and plenty of the world's stadia, too. And yes, that includes Sophia Gardens in Cardiff. Faintly recognizable portrayals of a lot of the players (Michael Vaughan, anyone?) as well as tutorials, Hawk-Eye, Aggers and more responsive controls and greater tactical involvement add up to a cricket game that should keep everyone happy – and note well, there's a Wii version available as well!



RYGAR: THE BATTLE OF ARGUS

(Tecmo) *Wii*

★★★

Like all good franchises that stand the test of time, Rygar has now made it onto his third platform, having had previous outings on the NES and PS2. Well now our muscular hero's made it onto the Wii, which surely is the perfect home for what is, in essence, a straightforward slasher. That's right, with Wii remote in hand, you can maraud around the Graeco-Roman world dispatching sundry monsters and baddies as you strive to rescue Princess Harmonia. We hadn't quit made it yet at the time of writing, so we'll just assume she's worth it! OK, so there's more to it that standing in front of the telly waving your arm about – there are tactics to be factored in, such as combat combinations featuring your fancy 'diskarmour' and some puzzle solving, but thanks to the gladiator mode, it's the slashing that really sets this one apart from its thumb-based predecessors.

IN THE LAP OF FUCKS-URY

Believe it or not, it was my wife's idea to go to a lapdancing club. Katie is pretty adventurous about sex, and is always thinking of new ways to spice things up. And I knew she liked to fantasise about women, because we have often looked through *Club* together and talked about what we'd like to do to the models. Sometimes her ideas are even ruder than mine!

So come Friday night I was sitting in front of the telly waiting for her to get ready, and raring to go. When she finally appeared, I could see that she was ready for a great night. Her long blonde hair was loose about her shoulders and her make-up was a shade on the tarty side, with plenty of eyeshadow and bright red lipstick – just how I like it. She was wearing a black mini dress with buttons down the front, the top two left open provocatively, and a pair of high-heeled boots.

Smiling, she lifted up her skirt to reveal her skimpiest red knickers. They were semi-transparent, and it was obvious why she had been so long, because I could see that her pussy was freshly shaved.

"If the dancers look as hot as you," I murmured as I kissed her, "we should have a great time." It crossed my mind to forget the lapdancing and just shag her there and then on the carpet, but as it turned out I'm glad I managed to controlled myself for a couple more hours.

"She wiggled her naked pussy into my wife's lap and thrust her breasts towards her face"

We got to the club early, which was great as it was still half empty and there were half a dozen absolutely gorgeous girls sitting at the bar in smart but revealing dresses. Out of the corner of my eye I could see Katie's eyes light up – and so did two of the girls, because as soon as I had got some drinks they came over to us.

"Would you like us to dance for you?" asked one, a big-titted blonde with blue eyes and pouty lips who I knew would be just Katie's type. So we let them lead us to a secluded alcove and sat down to enjoy the show. They saw a few women in the club, they said, but most of them were there just out of curiosity or to keep an eye on their husbands. They couldn't believe how lucky I was when I told them the whole thing had been Katie's idea!

We didn't know exactly what to expect, but I was surprised by just how full-on sexy it was. The girls paired off with us, stripped naked, sat on our laps and played with their nipples,

rubbed their tits against us – you name it, short of actually screwing us, they did it. Mine was a fit brunette, very attractive but not a patch on Katie's blonde, but I didn't mind because I could see my wife was as horny as hell with the attention she was getting.

"Are you glad we came?" I asked Katie as we walked back to our table, me trying not very successfully to hide the swelling bulge in my trousers.

"You bet!" she replied with a wink. Well, we had another five or six dances after that with different girls, all of them absolute babes. You couldn't touch them, of course, but it was definitely the next best thing to shagging a whole lineup of talent, one after another. We soon realised it was more fun (and cheaper!) to have one girl dance for both of us sitting together, because I could see my wife's reaction better, and most of the dancers soon sussed that the way to turn us on (and earn a bigger tip) was to come on to Katie.

Eventually we decided we had spent enough money.

"Come on," my wife whispered to me, "I'm soaking wet, and if I can't have any of this pussy I'm going to need a cock pretty soon." I wasn't about to argue, and we were standing up to go when this stunning girl approached us. I looked at Katie, she looked at me, and we realised that we weren't going to say no. So we invited her to sit with us and we chatted for a few minutes. Her name was Natasha. She had long tanned legs, long auburn hair and a face like an angel, and her slim, fit body filled her tight dress in all the right places.

I glanced over at Katie. She was literally licking her lips! Natasha obviously knew the score, because she was all over Katie. Maybe she was just a great actress, but it was hard to believe she wasn't getting off on it too. She slipped out of her clothes, gently pushed Katie's knees apart and ran her hands up her bare thighs under her short dress. Then she wiggled her naked pussy into my wife's lap and thrust her breasts towards her face, so close that Katie could have put out her tongue and licked one. How she stopped herself I will never know!

After that there was no way we were going to wait until we got home. We hurried over to a cheap hotel across the road and booked a room. Seeing our haste and the way Katie was dressed (another button had come undone during all the excitement) I am sure the receptionist had her down as a tart, but that didn't bother us. We raced for the lift, and as soon as the door of our room slammed behind us we were snogging furiously.

I knew she was already wet and willing, and so I didn't bother with undressing. I simply pulled her dress up and her soaking knickers down,

"Katie squashed her tits around my shaft as I worked it up and down. Then she bent her head forward..."

undid my zip, and rammed my hard dick into her. Those horny dancers had got her shaven cunt positively gaping for it, and in her high heels she was just the right height as I leaned her back against the door and thrust into her till she screamed. So much the better if somebody heard! It seemed like no time at all before she was shuddering with her first orgasm of the night, squeezing her pussy walls tight around me deliciously.

Before I finished, there was something I'd been wanting to do all evening. I undid the rest of the buttons on her dress, unclasped her bra as I pushed her to her knees and, pulling my cock out of her, I thrust it between her tits. Katie got the idea straight away and squashed her tits around my shaft as I worked it up and down. Then she bent her head forward to take my knob into her mouth on each upstroke, slurping her tongue eagerly around it.

Katie can give head like a porn star, and soon my cock was covered in her saliva as it slid between her breasts. At last I could hold on no longer, so I thrust deep between her bright red lips and pumped my spunk down her throat. She's not usually keen on swallowing but this time she gulped down the lot, licking her lips as

the last bit dribbled down her chin.

Katie ended up covered in come before the night was over, but did it dampen her lust for pussy? Not a bit of it. The next morning I asked her what she wanted for her birthday next month.

"Let's do it all again," she said, "and this time let's invite Natasha to come back with us." Well, we've set a date for next weekend. I don't know if Natasha will go for it, but it will definitely be worth a try!

COCK-A-HOOP!

I know some of my girlfriends think I'm a bit of a slut because of the amount of one night stands I have, but I love cock and I like variety so while I'm fit, healthy and able to pull, why the hell shouldn't I enjoy myself as much as possible?

I'm only 19 and have been told I look a bit like a young Angelina Jolie so, as you can imagine, getting any guy I fancy to fuck me is not really a problem. In fact, some nights I can have a group of likely lads to choose from, especially if I'm out clubbing in one of my specially sexy outfits!

Last Saturday was a first for me though, as I managed to fuck two guys in a row and in the process I actually lost count of the amount of times I came.

I'd been dancing most of the night at a club in town and had been chatted up by loads of blokes, but two in particular took my fancy. Simon and his friend John looked really sharp in their expensive suits and soon had me giggling as they bought me drink after drink. It wasn't long before I was snogging with Simon at the bar and then doing the same with John. It felt so horny taking it in turns to push my tongue into their mouths and feel the bulge in their trousers press against my crotch as they each fondled my arse through my tiny mini skirt while the other waited for his go.

It turned out that they knew the club owner and Simon asked if I fancied going up to the office to get even friendlier. I wanted both of them to come so that I could get screwed by two guys at once but they didn't seem keen, so I went to the office with just Simon.

No sooner were we through the door than he pushed my skirt up to my waist and thrust a hand between my legs, rubbing my already damp pussy through my silky panties. I unzipped his trousers and pulled his nearly rigid prick from his pants, wanking the shaft slowly with one hand as I lifted my tight top so he could get to work on my naked tits.

Simon didn't disappoint and immediately cupped one firm breast and latched his lips onto the nipple, sucking it hard as he eased aside the gusset of my knickers and embedded a finger into my hairless cunt. My legs nearly buckled as he worked in another finger and slurped on one tit after another. Then he pushed me backwards until my arse rested on the edge of the big desk. I wriggled my panties down to my ankles and kicked them off, before lifting and spreading my legs so he had better access to my twat.

Simon tickled my clit while expertly fingering my pussy and within a minute or so I came all over his hand. Before I had time to recover, his lovely hard cock was inside me, sliding deep up my love tunnel on the copious cunt cream. He banged away inside me, gripping my tits hard as his balls slapped against my bum. As he fucked me I frigged my swollen clit and had another delicious orgasm, relishing the feeling of being stuffed full of cock by a stranger in strange surroundings.

After a few minutes I could tell Simon was ready to unload and I wanted to see his cream jet from his dick, so I grabbed the base of his meat and dragged him out of my now sodden hole. I swivelled round on the desk and positioned my mouth beneath his throbbing cock as I wanked him for all I was worth. With a loud grunt Simon spurted a big wodge of spunk straight onto my tongue, which I hungrily swallowed. The next sprayed over my tits and the third splattered over my chin and neck. I took the bulbous, slime-coated knob in my mouth and sucked him clean.

As I noisily slurped on his prick, I heard the door of the office open and Simon promptly pulled his dick from my mouth and stuffed it back into his trousers before nodding towards his mate John as he left the room. My cunt pulsed with excitement as John came over to my prostrate, come-covered body and unzipped his trousers. Without batting an eyelid he eased a huge stiff dick from his pants and casually pushed it between my lipstick-smeared lips.

Without even a second thought I greedily sucked him to the back of my throat, surprised at first at how much bigger he was than Simon.

"I swivelled round on the desk and positioned my mouth beneath his throbbing cock..."

At the same time I felt a finger enter my gooey cunt and I spread my thighs as wide as I could.

With his other hand, John groped my sperm splattered tits, squeezing them hard as I slid my lips up and down his tool, cupping his balls with my hand. I could still taste Simon's sperm as I sucked on John's cock, and this time I desperately wanted a load of seed up my aching pussy. Luckily, John seemed to agree, and he soon moved in between my gaping legs, his mammoth shaft positioned at the entrance to my dribbling gash. John may have been big but my fanny was well lubricated by now and his meat slipped right up to his balls effortlessly. I came the second his big cock filled my slit as I realised what a filthy slut I was being and pinched my own nipples to heighten the orgasm coursing through my cunt.

John pressed my body against the hard desk as he humped me roughly, slamming his dick as deep as it would go. I wrapped my legs around him and held him close as his thrusting became faster and his breathing became heavier. Suddenly he tensed and I felt his cock twitch inside me as the first jet of spunk blasted up me. He ground his crotch against mine as he emptied his balls, grunting and gasping as his climax took over.

Finally he pulled out of me and his sperm poured from my stretched love tunnel and formed a small pool on the carpet.

I lay there for a while; sticky semen oozing from my hole and staining my tits, while John wiped himself off and pushed his shrinking prick back into his pants. We went back down to the dancefloor together for another drink with his sperm trickling down my bare thighs but in the darkness I didn't care at all as I'd just fulfilled another of my filthy fantasies!

OFF YOUR HEDONIST

Fancy a cheap night in with a good flick? Then why not go out and snaffle some of these?

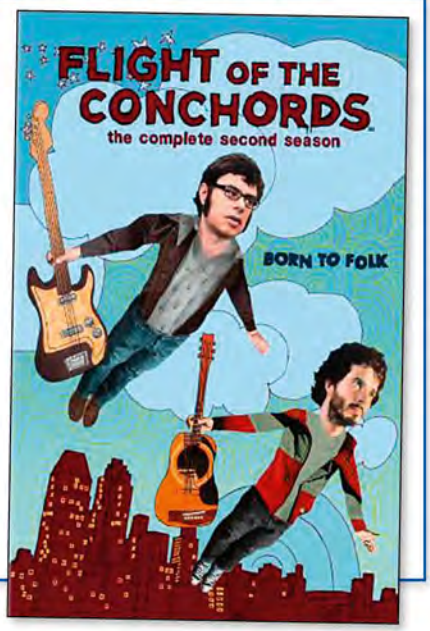
RATINGS: ★ LUPUS ★★ SNOOKER LOOPY ★★★ LUPE VELEZ ★★★★ CANTALOUPE ISLAND ★★★★★ IN THE LOOP

In The Loop (Optimum Home Entertainment)

Armando Iannucci's been churning out top notch comedy for British TV for ages now, from his eponymous show to the whole *Day Today/Alan Partridge* thing. Recently, though, it's his political satire *The Thick Of It* that's been keeping him busy, and this flick is, in essence, a filled-out version of that, only instead of revolving quite so tightly around Westminster point-scoring, this time there's a war at stake. Clearly inspired by recent events, it takes as its cue a desire for war shared by the British Prime Minister and the American President, with hapless minister Tom Hollander accidentally getting tangled up with the hawks after an off the cuff remark to reporters. With Peter Capaldi reviving his role as the potty-mouthed spin-doctor Malcolm Tucker and former Soprano James Gandolfini putting in a fine turn as an American General, this is blistering stuff. ★★★★★

Flight Of The Conchords Season 2 (Warner Home Video)

And talking of top comedy, the second series from New Zealand's former fourth most successful comedy/folk duo is very nearly as good as the first. Bret and Jermaine are still in New York playing to empty houses (and half-full lifts) with their clueless manager Murray at the helm. The supporting cast is great, and many of the gags spot on. OK, so this time round some of the songs seem a bit shoehorned in, but it's still funnier than practically anything else on the box. There may not be a third series, so make the most of it while you can... ★★★★★



Tokyo Gore Police (4Digital Asia)

What a fantastic name! You've got to have a fair idea of what's in store with a title like that, and you won't be disappointed. *Audition*'s foxy Eihi Shiina stars as a cop whose job it is to hunt down bio-mechanical criminal mutants who've been engineered to withstand the kind of injury that would off the rest of us in no time – a perfect conceit that allows for the kind of gorefest not seen since, well, ever. It's stylish, bonkers, and it makes *Ichi The Killer* look like *Brief Encounter*. ★★★★

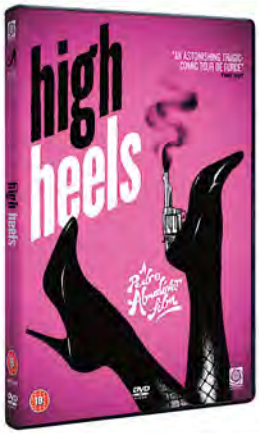
Yellowbeard (Optimum Home Entertainment)

Phew, we could fill up the whole review with the exceptional cast list for this one – a piratical comedy scripted by Python Graham Chapman and Peter Cook. Apart from the writers themselves (and Chapman's fantastic in the lead) the likes of James Mason, John Cleese, Michael Horden, Cheech and Chong and Marty Feldman (to name but a few) put in an appearance. As with a lot of these all-star casts flicks, it's something of a case of 'too many comedians' – although it has to be said there are some killer gags in there, and for Python/Cook fans, it's probably essential viewing – not least for Madeline Kahn's fantastic cockney accent. ★★★

Cradle Will Fall (Momentum Pictures)

Post natal depression can be a terrible thing, and every now and then the papers will run a story of some mum or other who's succumbed, but hey – that doesn't mean you can't make a slasher horror film about it, does it?! This flick was inspired by the true story of a Texan mother who killed her five children, and stars Colleen Porch as the rather tasty but clearly unhinged young mum who turns on her kids while hubby Joel Bryant is off being a truck driver. It's got a thoroughly creepy atmosphere and some fine chills, and, in young Ridge Canipe as the eldest son, an incredible performance. ★★★

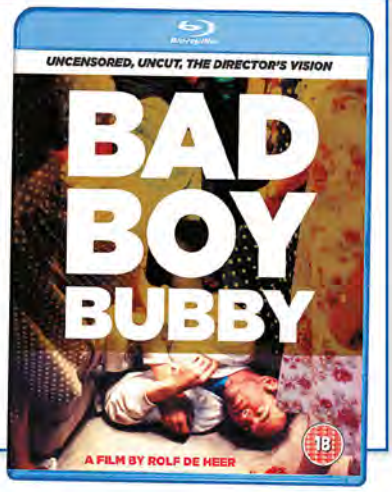
High Heels (Optimum Home Entertainment)



If we summarize the plot, see if you can guess the director; a torch song singer called Becky returns to Spain after a 15 year absence and catches up with her daughter – who's a TV presenter – and a drag queen impersonator. Throw in a murder, a smattering of sex and plenty of family resentment, too, and it means that we're in prime Pedro Almódovar territory here! This film was released in 1991 and did pretty well in Europe, but in the English-speaking world it never quite had the impact of some of his earlier offerings. Still, if it's gender-bending female-heavy melodrama you're after, nobody does it better! ★★★

Bad Boy Bubby (Eureka Video)

You know when you overhear the plot of a film in someone else's conversation and think to yourself "Wow, that's got to be worth seeing!"? Well this is one of those films. Directed by Rolf de Heer, it's the technically experimental telling of a grown up man child (played by Nicholas Hope) who, thank's to his incestuous mother's lies about poison gas and the like has never set foot outside their flat – until dad comes home and it's time to go. Controversial, alright, but strangely compelling too. ★★★★



Tipple X

Each issue, and purely in the interests of investigative journalism, Club's house dipso tracks down and taste tests some premium booze just so we can give you the lowdown. This month we saviour one of Ireland's finest...

Bushmills 10 Year Old Malt

What...

Bushmills 10 is a single malt made entirely from triple distilled malted barley and then cask conditioned for – well, see if you can guess how long – in bourbon seasoned barrels. The result is a chocolate-y, honeyed whiskey that goes down very nicely indeed, thank you very much! Bushmills also produce a 16 and a 21 year old variety, as well as a couple of blends, and don't forget, seeing as this is Irish, to include an 'e' in 'whiskey'.

Why...

Well contrary to what you might think, it was actually the Irish rather than the Scottish who first produced whiskey, with the first reference to it being made back in 1405, when a chieftain drank himself to death on the stuff! Bushmills can't claim to be quite that old, but its history does stretch back to 1608, when James I issued a license for the production of 'uisce beatha' – Gaelic for 'water of life' in the Bushmills area of County Antrim.

Where...

This is available all over the place, so you won't have to make a pilgrimage to the distillery to pick up a bottle.

When...

Whenever you've got enough time to appreciate it.

How...

When you've got a single malt, you're best off keeping things simple – a little water to taste, perhaps, but when this much care has been put into a tipple, the last thing you want to do is splash coke all over it!

Who...

James I, presumably, when he wasn't busy killing witches or dodging Guy Fawkes. ♣

PEACHES

It's the only place to find all of your bum banter and tales of backdoor fun – every single month!

KISS AND TEL

Normally, I never date guys from work because mixing business and pleasure can lead to all sorts of trouble, but Terry's really good looking and we get on so well that I decided to make an exception. You only live once, after all!

On our second date, I decided I wanted to fuck him, and cooked him a meal at my flat. The wine and subdued lighting did the trick and as I poured him another glass of vino at the dining table Terry came round to my side and gently stroked my hair before bending down and kissing me on the cheek.

I turned to face him and slipped my tongue into his mouth. He reciprocated and a tingle ran through my pussy as he ground his lips against mine, thrusting his tongue to the back of my throat.

As we kissed, Terry slid his hand over my shoulder and down to my tits. I was wearing a silky white blouse, which he expertly unbuttoned before moving his hand inside and cupping one breast through my lacy bra. I arched my back as my nipples swelled and Terry pushed his hand into my bra and tweaked one of my already hard nipples while I

"The feeling of my own finger working its way into my bum was delicious"

fumbled for his flies.

Terry stood up and helped me out, reaching inside his pants and pulling out his semi-stiff dick. I certainly wasn't disappointed as he pulled back the foreskin and his cock grew to its rigid fullness. He was about eight inches long and nice and thick, which is just how I like my prick so I didn't hesitate to push the tip of his purple knob between my lips, tickling the smooth skin with my tongue as I sucked him inside.

I cupped his balls as I slurped up and down the shaft of his cock, squeezing gently as I savoured the taste of his man meat. After a minute or two, I unclipped my bra with one hand and shuffled forward so my biggish tits rested either side of his prick. Terry obviously liked this and pushed forward, letting the soft flesh of my boobs stroke along his length as I continued to suck him. I pushed my tits together allowing Terry to actually fuck my cleavage, my saliva smearing over my breasts and acting as lubricant for his meat.

I desperately wanted him to screw me now, and pulled his dick from my mouth. I leant back in my chair and opened my legs, wriggling my split skirt up to my waist.

Seeing my naked pussy before him, Terry dropped to his knees, grabbed my thighs and stuffed his head between them. I gasped as his tongue thrust straight into my moist gash and I tweaked my tits to hasten a quickie climax. Pinching my nipples hard, I writhed beneath his probing tongue, and when he slipped a finger from my gaping cunt into the crack of my arse, I came, yelling out with pleasure.

As my crotch jerked wildly against his lapping tongue, he pushed the tip of his finger deep into my taut bumhole and it felt so good I decided there and then to forego a cunt full of cock and let him shag me straight away in the rear.

I've always liked anal sex, and when I'm really turned-on I actually prefer it to ordinary fucking, so as my orgasm subsided I stood and sat back down on the dining table chair, facing the back rest. It was pretty obvious what I was after, especially when I reached behind me and started fingering my arse. I pushed one finger all the way in using my cunt juice as lubricant and left it completely buried there for a few seconds so Terry could enjoy my display. I pulled it out and then rammed it back in, relishing the tightness of the tunnel I was finger-fucking.

Terry ran his hands over my buttocks as I performed for him but I needed something a lot bigger up there and I needed it fast!

Luckily, Terry was ready to oblige and as I pulled my finger clear of my arsehole, I felt the bulbous head of his cock push between my butt cheeks and rest against my slippery anus. I helpfully spread my arsecheeks with my hands and waited for the moment of penetration. Terry pushed and my hole slowly stretched open to accommodate his rock hard muscle of love. Suddenly the knob was inside and my sphincter

"The muscles up my arse contracted around his banging cock and he grunted"

constricted around his shaft. He pushed harder and his thick cock slipped up me centimetre by centimetre as I tried to relax for him. It was bigger than I'd anticipated and for a moment I wondered if I'd be able to take his prick all the way up my bum. I needn't have worried though, as my slippery fanny fluid was doing the trick, and after a minute of gently pushing Terry's prick was embedded in my arse. The feeling of being well and truly stuffed is fantastic and I pushed my arse back down onto his stiff meat, reaching in between my legs for my clit as I did so. Terry grabbed me around the waist and started to fuck my arse, slowly at first and then faster and faster. I rubbed my cunt button, as our bum screw became more of an anal pounding. I like it hard and Terry was certainly getting into his stride as he hammered his dick in and out of my aching butt.

After a couple of minutes of this arse pumping, and with the aid of my flicking fingers, I came again, the cunt juice pouring out of my slit onto the chair. As I came, the muscles up my arse pulsed around his banging cock and he grunted as he fired his load deep up my rear. I could feel every drop squirt from his tool and he held me tightly as his mess continued to splatter the walls of my back passage.

As his prick softened he slid out of me on a stream of gooey spunk, which dribbled onto my already stained chair, and I knew my gaping sperm-splattered arsehole was twitching its approval at his awesome butt fuck.

Later that night I finally got his lovely prick in my cunt too, but now that Terry knows I'm an anal slut he just can't leave my backdoor alone!

Rachel, Hull.

LUST GOOD FRIENDS

I recently had such an unexpectedly horny experience that I felt I just had to share it with my fellow readers. I've been mates with Debbie since we were at school together. She was quite quiet and shy at school, but always really nice. We still live quite close to each other now we're in our 20s so usually meet up for a drink about once a week. A drink and a moan about our respective partners!

Last week, me and Debs were sitting in our local. I'd split up with my girlfriend a couple of months ago, but I hadn't heard her news...

"Me and Alex are finished."

"Shit, Debs, sorry to hear that. What happened?"

"He said I'm not enough for him in bed."

"What a prick!"

"I dunno. Maybe he's got a point. Maybe I am too boring in bed."

I suddenly realized that we'd never really talked about sex before. It didn't feel awkward though. As Debs talked I found I was looking at her body in a way I hadn't previously. Trying to map her curves through her tight T-shirt, and glancing down at those tanned, toned legs clad in a mini-skirt.

"You're a great laugh, I doubt you're a prude in bed." I said.

We both laughed.

"Right now I wouldn't complain about a man thinking I was dirty. A really dirty, horny, little bitch."

Shit. My cock twitched. Was I really getting turned-on talking to my mate?

"Frankly, the next time a guy bends me over and fucks me I'm going to think of Alex and think 'I wish you could see this you bastard!'"

Things were getting a little awkward... what had been a casual semi had now become a raging hard-on.

"Right!" said Debs, having drained her glass. "It's your round."

I sat frozen to my chair for a moment. Then I risked getting up. Maybe she wouldn't notice my erection, but I could feel her eyes on my groin as I stood up.

"Let's not get another drink here," she said. "I've got a couple of bottles of wine in the flat."

Now I knew a lot of things about Debs. I knew her favourite colour, her birthday, and the name of her first pet. What I hadn't known was that her snatch is shaven and tastes fantastic. I was lying between her legs on her bed, licking and slurping away at her lovely sweet cunt. I pulled my tongue out of her and moved my mouth up slightly to fasten around her clit, but made sure I replaced my tongue with two fingers.

I felt her hands gripping my hair. "Don't just finger it. I want you to fuck it. I want that big cock stuffed into my tight little cunt. I'm going to be the dirty little bitch that idiot thought I could never be."

I didn't need asking twice. Getting up, I rolled her onto her tummy, then she pushed herself up onto her knees. I lined up the tip of my cock with her soaking wet twat. My hands moved onto her curvy hips, and I thrust the full length of my shaft into her. She gasped as my cock filled her up.

"That's it! Fuck me like I'm your little slut!"

I was doing just that, pounding that tight snatch as her juices ran down my shaft. Debs looked amazing on her hands and knees. Her breasts swaying as I fucked her. I couldn't resist, and gave her gorgeous bum a spank.

"That's right, I'm a naughty, dirty, slut."

"You like it don't you? Getting fucked like a filthy bitch."

"I looked own at her puckered hole and began to rub the tip of my cock against it"

I pulled my cock out of her, and she manoeuvred round to suck on it. I held her hair as her head jerked back and forward, taking my full length. Then she drew her head back and spat on my cock. She turned round again, put her face down, and her ass up. She presented that lovely bum to me.

No way. She actually wanted me to fuck her arse! I didn't need any more invitation. I looked down at her tightly puckered hole and began to rub the tip of my cock against it. Just enough to tease at first... then she began to push back against me. I held her cheeks apart and pushed forward. Slowly, my helmet was absorbed into her ring. She was so tight I almost shot my load there and then but I managed to control myself.

I eased myself deeper inside her until eventually she'd taken my full length up her curvy backside. This was the horniest moment of my life. I began to ease myself back out, then in again, then out again... and now I was fucking her. Really fucking her hard in the arse.

She was letting out little squeals and gasps but was certainly enjoying herself. Her hand reached up to tease her clit as I fucked her. I felt her body tense as she continued rubbing. Now she was panting and moaning. Her ring gripped me even harder as her body spasmed and she screamed. Again, it took all my self-control not to come. I had other plans for my spunk.

She lifted her head off the pillow and said; "That's it. That's it, you fucking bastard. You take that arse and do whatever you want to it!" I could feel my balls aching with jizz at this point. Just before I reached the point of no return I pulled my cock out of her and ordered her to turn round and face it.

"Open your mouth" I ordered.

She did as she was told as I tossed myself off into her willing mouth. She waited until I was completely drained, then swallowed down every drop of my hot sticky sperm.

"Mmm. I think I am pretty dirty... but I reckon practice will make perfect. Reckon you're a good enough friend to help me?"

"What else are friends for?" I replied.

And we've been practising ever since!

Mike, Nottingham. ♣

SCRUFF JUSTICE!

Beelzebu-ggery, softcore fingering and an oleaginous orgy. Yes, it can only be this month's scruff!

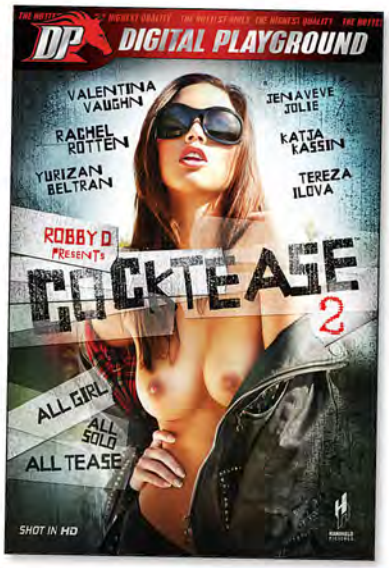
RATINGS: ★ DEVIL WOMAN ★★ DEMON BOWLER ★★★ DEVIL'S DYKE ★★★★ SATAN'S WHORE ★★★★★ LUCIFER SAM

Satan's Whore (Harmony)

Erm, wasn't there a TV series called this a few months back – something to do with the Civil War? In any event, we don't suppose it could have been much like this offering from Harmony... There's a bit of a (sub-Hammer) plot, but fundamentally what we have is six scenes featuring all sorts of Satanic imagery and loads of full-on fuckery. As you'd expect from Harmony, there's loads of back-door action along the way, with stand out scenes including the staggeringly-norked 'virgin' Ree Petra getting properly acquainted with johnson (it's little wonder stud George Uhl cranks out two loads over her), and Alexandra Cat's airtight triple-dicking. Bobbi Starr sees us out in style as 'The Perfect Whore', again handling three cocks in a way only she can. Perfect pulling fodder for Goths and old school horror fans alike. ★★★★

CockTease 2 (Digital Playground)

A lot of gonzo flicks like to start each scene with the girls giving a tease before we cut to the chase, but with CockTease there ain't no chase to cut to – it's pretty girls playing with themselves for your pleasure, with no cocksman muscling in on the action. So is it worth checking out? Well, with the likes of Jenaveve Jolie, Rachel Rotten and Tereza Ilova on show the girls are all pretty enough, but to be honest the first half of the flick barely makes it out of 18 territory, with the flampers rubbing themselves off against columns and furnishings but with very little fanny on show. OK, so things do pick up, but this is more like erotica than out and out scruff. ★★



Villa Toscana (Film Erotica)

Three olives might be a bit much for a martini, but for a porno DVD cover we'd call it 'understated'! Still, this conforms to that classic bongo set-up – hire a nice pad abroad, fly in a few girls and guys, and get filming! That way, everyone gets a nice little holiday out of it as well. Girls on show here include Jasmine Lau and recent *Club* Reader's Girlfriend Theo in what, except for brunette Ellena, seems to be an All British cast. Just to guarantee the Italian theme the girls all smear themselves with olive oil for the last scene, in which they share Clark Kent's cock out on the front lawn. If only all holidays were half as good as this... ★★★

SHE'S RIGHT UP OUR ALLY!

Since we last met, Ally's gone and added another string to her bow!

PHOTOS: SCOTT WARD

Here at *Club* we like to think we never forget a face – let alone a snatch – and we're pretty sure we've seen Ally here before…

"That's right," she said when we told her we recognised her, "I was in *Club* a couple of years ago!"

Ah, so what have you been up to since our paths last crossed?

"Well, for the most part I've been studying. I started University a couple of years ago, so I've been busy with that. Not so much the work, of course – more the enjoying myself now I don't live with my folks any more!"

Oh yes? Tell us more!

"I'm not sure if I should, but since I started at Uni I've discovered that I swing both ways. My roommate, who's a full on lesbian, convinced me to give it a try, and now I love licking pussy just as much as I love sucking cocks!"

It's amazing the things you learn at University, isn't it? Still, we're glad to hear you're still partial to cocks. If you fancy a practice, we'd be happy to help… ♣

HANNAH NOTHER THING...

Fancy another stunning bird before we wind up the issue? Oh, alright then!

For some very rude pictures of Hannah go to:

www.paulraymond.com/club

PHOTOS: DARREN McCORMACK

OK, so it's page 92 and you've got every right to be flagging a bit by now (that's assuming you're daft enough to tackle a whole issue of *Club* in one sitting!) but hold your horses, mister – we've got one more little treat up our sleeves for you before you can have a well deserved rest. That's right, once again we thought we'd wind things up with a babe who's not only right out of the top drawer, she deserves a special spot of her own in the top drawer! Erm, maybe in the corner where you keep your cufflinks and stuff.

Ahem, anyway, whereabouts in the top drawer she belongs is neither here nor there, because from now on we're pretty sure you'll be making a special place for her in your hearts, because isn't she a peach? And do you know the best bit of all? She's nude and fingering her delectable little pussy, just for us! See you next time, for more red hot naked babe action! ♣

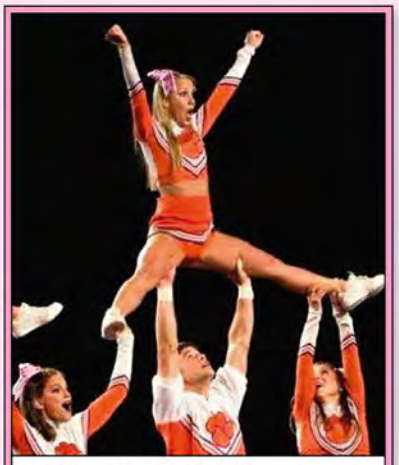
TAKING THE MICKEY!
But what will Minnie say when she finds out?

THE HAPPY COUPLE
You'd think the groom could look a bit smugger, wouldn't you?

PHONE-Y WAR
Look, would you mind hurrying up in there, mate, it's just that… oh, hang on, no, it's alright – no hurry really!



UP UP AND WAY-HAY!
Unprofessional or not, you would, wouldn't you?

SEXY MF!
Let's face it, you've either got it or you don't got it!

WHAT A DENTALIST
Like your root canal procedure will be any more pleasurable if your dentist's wearing one of these.

BARREL OF LAUGHS
Proof for the missus, when she finds him, that he did indeed "Only have the one" last night.
